

DURAMILEAGE™

2001-2010 DURAMAX DIESEL

DURAMILEAGE... What It Is And Why You Need It

Duramileage is custom designed fuel maps that recalibrate your truck's fuel delivery profile to "increase the engine's low-end torque rise".

FEATURES

- Tried and True" in over 6000 Duramax trucks (as of 2012)
- Only custom diesel product that guarantees up to a 4-7 MPG increase
- Only custom diesel product with a 6 Month Money Back Guarantee
- Can change Tire Size and Speed Limiter

BENEFITS

FUEL ECONOMY SAVINGS: Over 95% of customers enjoy fuel mileage gains running both loaded and unloaded which saves them hundreds if not thousands of dollars a year.

TOWING PERFORMANCE: Having more horsepower and torque in the "driving zone" of your RPM range makes for a pretty sweet experience when pulling steep grades.

PEACE OF MIND: The custom Mileage Tunes are transmission friendly and keep your truck's exhaust gas temperatures at safe operating range without making further modifications.
